
Extension of all driver's and business licenses, identification cards, permits (including handicap parking permits) and registrations

Governor Larry Hogan has ordered an extension of all driver's and business licenses, identification cards, permits (including handicap parking permits) and registrations that expire or are eligible for renewal during the state of emergency. You can view the full text of the Executive Order here – <https://governor.maryland.gov/wp-content/uploads/2020/03/Licenses-Permits-Registration.pdf>. As a result, they will not expire until the 30th day after the state of emergency has been lifted.

The Executive Order provides Maryland licensed drivers and vehicle owners the ability to continue to use an expired Maryland driver's license and/or ID card and impacts those individuals whose driver's license and/or ID card expired **on or after March 12, 2020. This extension is in effect until further notice.**
